Prakash Dhanaraj

Front end & UI UX Developer

WORK EXPERIENCE

Omega Healthcare , Trichy

AR Executive Processor   Aug 2022 - Aug 2024

- 2 years of BPO industry expertise in claim **rejection** and AR follow-up rejection.
- Analyzed rejected claims to identify root causes and patterns, working closely with internal teams to rectify issues.
- Developed strategies to streamline **AR processes** and reduce claim rejections.
- Received recognition as **Top Performer of the Month** for completing tasks with **100%** quality and high efficiency.

Front end Developer Skills:

- **Web Development:** Proficient in **HTML, CSS, JavaScript**, and **React** to build interactive and dynamic user interfaces.
- **CSS Frameworks:** Strong knowledge of **Tailwind CSS** and **Bootstrap** for creating responsive layouts and styling.
- **Version Control:** Experience using **Git** for version control and collaboration in team environments.
- **Responsive Design:** Deep understanding of **responsive design** principles to ensure seamless user experiences across mobile, tablet, and desktop devices.
- **Debugging Tools:** Familiar with browser developer tools for inspecting, debugging, and optimizing code.

UI/UX Skills:

- **Design Tools:** Expertise in **Figma** for creating prototypes and high-fidelity designs.
- **UI Design Principles:** Strong understanding of **typography, color theory, layout design**, and **component-based** design systems.
- **User Research:** Conducted **user research** to inform design decisions and improve usability.
- **Prototyping:** Skilled in creating interactive prototypes to visualize design concepts and gather user feedback.
